

Anal Cunt, You Got Date Raped

you just wanted to hold hands but he wanted to fuck
he's twice your size and weight so you're shit out of luck

[chorus:]

you got date raped, date raped [x4]

you whined to the judge, your eyes were full of tears
but you wouldn't have been raped if you didn't have 50 beers

[chorus]

next time you go out bring a chapperone or friend
or you'll probably end up getting date raped again
you got date raped
