

Anal Cunt, You Sell Cologne

you have a mustache, you called me on the phone
you wear a beret and you sell colonge
you wear colonge but you still smell bad
you smell like shit from all the men that you've had

[chorus:]
you sell colonge [x4]

you wear a gay suit, you have a mustache
you're always looking at your customers ass
a freelance homo, you tried to sell to sears
but you got kicked out because you're fucking queer

[chorus]
