

# Analog, Rabbits on the grass

Rabbits on the grass  
In my ailing mind  
They're jumping  
They're smiling  
On the grass  
Rabbits on the grass  
I see them through the sun  
They're white  
They're pure  
On the grass  
Get away the rabbits  
Get them away from me  
I cannot stand their  
Stupid mouths  
Stupid mouths  
Get away the rabbits  
Get them away from me  
I cannot  
Something in my ears  
Real or imagined voice  
They speak  
They're silent  
Many ugly faces  
In front of my eyes  
They appear  
They disappear  
Rabbits on the grass  
In my ailing mind  
They're jumping  
They're smiling  
On the grass
