

# Anarbor, The Brightes Green

It was late last night before she hit me up,  
Baby, don't you know nothing good happens after midnight?  
You see the night before I couldn't keep my hands off her,  
Yeah I wanted to drink her up.  
Her body burned like a fire and I knew, I knew I couldn't take anymore from her.  
I'm burn burn burning,  
My stomachs turning,  
My hearts giving into my eyes.  
I'm stare stare staring  
At the skin shes sharing,  
My hearts giving into my eyes.  
Not it's too late, for me it's too late,  
I'm burn burn burning, yeah my hearts giving into my eyes.  
She stood 5'4  
She had the brightest green I'd ever seen, I've never seen these eyes before.  
And just like that I was hypnotized.  
I sit back, I roll fat, thinking of you again.  
And I knew I couldn't take anymore from her.  
I'm burn burn burning,  
My stomachs turning,  
My hearts giving into my eyes.  
I'm stare stare staring  
At the skin shes sharing,  
My hearts giving into my eyes.  
Not it's too late, for me it's too late,  
I'm burn burn burning, yeah my hearts giving into my eyes.  
I'm sweating bullets like a boy that has just been caught,  
You say your love is all I need, but I don't need a lot.  
You say you're sorry but I know that you're not  
I'm burn burn burning,  
My stomachs turning,  
My hearts giving into my eyes.  
I'm stare stare staring  
At the skin shes sharing,  
My hearts giving into my eyes.  
Not it's too late, for me it's too late,  
I'm burn burn burning, yeah my hearts giving into my eyes.
