

Anastacia, Absolutely Positively

Ive been thinking about it
Give some serious thought
And I made up my mind
And I have decided that I need a little more time to decide

We used to be happy
Loving being in love
But lately I came to find
That everyday theres something new about you that I just dont like
So now Im

Absolutely positively
Certain that Im not sure that I love you yeah anymore

Absolutely positively
Certain that Im not sure that I love you yeah anymore

Now I cant deny
There some feelings for you inside of me
Thats why Im having the hardest time
Trying to just up and leave
But every time that you smile in my face
While lying to me
Packin my things and getting outta here
Suddenly seems so easy
So now Im

Absolutely positively
Certain that Im not sure that I love you anymore

Absolutely positively
Certain that Im not sure that I love you yeah anymore

I been racking my brain over you
Trying to figure out just what to do
Dont think I love you anymore

Absolutely positively
Certain that Im not sure that I love you anymore

Absolutely positively
Certain that Im not sure that I love you yeah anymore
