

# Anastacia, Dreamed You

[1]

You walked in the room  
and time was standin' still.  
Knew you were my destiny  
by the way you made me feel;  
only you in my life,  
forever and today,  
you're everything I ever imagined my love could be  
you for me...

[Chorus]

Like the stars need the sky,  
and the river needs its rain,  
like an eagle needs its wings,  
and a fire needs it's flame,  
like the sun needs the day,  
and the night needs the moon,  
like the air that I breathe,  
that's how I - dreamed of you  
- I dreamed you

[2]

It's hard to explain,  
but when you know you know  
I was so amazed by you,  
you had me at hello  
I need you in my heart,  
my body, mind and soul,  
it only took a moment to take my breath away,  
will you stay...?

[Chorus]

Like the stars need the sky,  
and the river needs its rain,  
like an eagle needs its wings,  
and a fire needs it's flame,  
like the sun needs the day,  
and the night needs the moon,  
like the air that I breathe,  
that's how I -

[Bridge]

I dreamed of you (and I),  
our love can't be denied, no no  
there's nothing I can do, nothing I can say,  
my heart it always knew,  
that's how I dreamed of you

- Sun, sky, river, rain,  
like an eagle needs its wings,  
and a fire needs its flame,  
like the sun needs the day,  
and the night needs its moon,  
like the air that I breathe, that's how I need you.  
- Like the stars, sky, river, rain  
like an eagle needs its wings,  
and a fire needs its flame,  
like the sun needs its day,  
and the night it needs its moon,  
like the air that I breathe, that's how I need you.

Like the air that I breathe, that's how I...  
...dreamed of you

I dreamed of you, yeah, yes I do,  
oh baby...
