

# Anastacia, Left Outside Alone

[INTRO:]

All my life Ive been waiting  
For you to bring a fairy tale my way  
Been living in a fantasy without meaning  
Its not okay I dont feel safe

I don't feel safe..  
Ohhh..

[V1]

Left broken empty in despair  
Wanna breath cant find air  
Thought you were sent from up above  
But you and me never had love  
So much more I have to say  
Help me find a way

[CHORUS]

And I wonder if you know  
How it really feels  
To be left outside alone  
When its cold out here  
Well maybe you should know  
Just how it feels  
To be left outside alone  
To be left outside alone

I tell ya..  
All my life Ive been waiting  
For you to bring a fairytale my way  
Been living in a fantasy without meaning  
Its not okay I dont feel safe  
I need to pray

Why do you play me like a game?  
Always someone else to blame  
Careless, helpless little man  
Someday you might understand  
Theres not much more to say  
But I hope you find a way

[CHORUS 2]

Still I wonder if you know  
How it really feels  
To be left outside alone  
When its cold out here  
Well maybe you should know  
Just how it feels  
To be left outside alone  
To be left outside alone

I tell ya..  
All my life Ive been waiting  
For you to bring a fairytale my way  
Been living in a fantasy without meaning  
Its not okay I dont feel safe  
I need to pray

Ohhh. Pray...  
Ohh.. Heavenly father..  
Save me.. Ohhhh..  
Whoaooooaooooooo

[CHORUS 3]

And I wonder if you know  
How it really feels  
To be left outside alone  
When its cold out here  
Well maybe you should know  
Just how it feels  
To be left outside alone  
To be left outside alone

[OUTRO]  
All my life Ive been waiting  
For you to bring a fairytale my way  
Been living in a fantasy without meaning  
Its not okay I dont feel safe  
I need to pray...
