Let outside alone

All my life i've been waiting for you to bring a faitytale my way,  
Been living in a fantasy without meaning,  
Its not ok i dont feel safe ohhh.

Left broken empty with dispair,  
Wanna breathe cant find air,  
Thought you were sent from up above,  
But you and me never had love.  
So much more i have to say, help me find a way.

And i wonder if yo know how it really feels,  
To be left outside alone,  
Its cold out here.  
Well maybe you should know,  
Just how it feels,  
To be left outside alone.

I tell yer all my life i've been waiting for you to bring a faitytale my way,  
Been living in a fantasy without meaning,  
Its not ok i dont feel safe ohhh.

Why do you play me like a game?  
Always someone else to blame,  
Careless helpless little man,  
Someday you might understand,  
Theres not much more to say,  
I hope you find a way.

Still,i wonder if yo know how it really feels,  
To be left outside alone,  
Its cold out here.  
Well maybe you should know,  
Just how it feels,  
To be left outside alone.

I tell yer all my life i've been waiting for you to bring a faitytale my way,  
Been living in a fantasy without meaning,  
Its not ok i dont feel safe ohhh.

I need to pray pray  
Heavenly father save me.  
i wonder if yo know how it really feels,  
To be left outside alone,  
Its cold out here.  
Well maybe you should know,  
Just how it feels,  
To be left outside alone.

I tell yer all my life i've been waiting for you to bring a faitytale my way,  
Been living in a fantasy without meaning,  
Its not ok i dont feel safe ohhh.

I need to pray pray pray
