

# Anastacia, Secrets

[children playing]

late in September  
memories I can't erase  
the shiver through autumn  
the memory of your face  
'cause I grew much older  
I wonder  
whatever I could have done  
to fight all the magnets

but I close my eyes  
and find truth in what I'm sayin'  
they thought it was all a lie  
how could they deny it when I was just a  
little child

secrets I kept inside me  
no one can understand  
secrets I had to hide  
'cause no one would hold my hand when  
secrets for me to know  
and never for you to see  
secrets for only me

emotions so bother my soul  
to know that I felt much pain  
I thought it would go far away  
it did for the moment

find truth in what I'm sayin'  
they thought it was all a lie  
how could they deny it when I was just a child  
baby, come one now

secrets I kept inside me  
noone can understand  
secrets I had to hide  
'cause noone would hold my hand when  
secrets for me to know  
and never for you to see  
secrets for only me

... the ones that could not escape the pain and misery  
would noone ever set them free?  
why do you pretend to see  
all the pain they had to go through  
can't you hear them cry to you?

secrets I kept inside me  
noone can understand  
secrets I had to hide  
'cause noone would hold my hand when  
secrets for me to know  
never for you to see  
secrets for only me  
secrets

secrets I kept inside me  
noone can understand  
secrets I had to hide  
'cause noone would hold my hand when  
secrets for me to know  
and never for you to see

secrets for only me

oh babies crying  
people are dying  
the secrets inside their heart noone ever yeah  
oh yeah oh yeah  
come on  
come on and sing with me

secrets I  
I know  
there's nobody up in here  
that can hear the cries hear  
inside my mind  
but I cry
