

# Anathema, Mine Is Yours To Drown In (Ours Is T

Be smothered in life  
Listen, listen, listen  
The written word will devour you  
And burn your mind  
I'm burning your mind  
I am entering your soul  
My promise to love and caress you  
Mirrors destiny and breathes the universe

Before Tomb .....  
(Regression)

Taste me  
Let the angels wings close  
And shield you  
I bleed for you

In the shadows and the recesses  
You'll find dark  
Yearn (me)  
From the dark all is revealed  
Light sheds through

Bleed with me  
We will share the light and dark  
Together and more
