

Anberlin, Creep (Radiohead cover)

When you were here before
Couldnt look you in the eye
Youre just like an angel
Your skin makes me cry
You float like a feather
In a beautiful world
Youre so very special
I wish I was special
But Im a creep, Im a weirdo.
What the hell am I doing here?
I dont belong here.
I dont care if it hurts
I want to have control
I want a perfect body
I want a perfect soul
I want you to notice
When Im not around
Youre so very special
I wish I was special
But Im a creep, Im a weirdo.
What the hell am I doing here?
I dont belong here.
Shes running out again,
Shes running out
Shes run, run, run, running out...
Whatever makes you happy
Whatever you want
Youre so very special
I wish I was special...
But Im a creep, Im a weirdo,
What the hell am I doing here?
I dont belong here.
I dont belong here.
