

# Ancient Drive, Orgasmic Adores

Ancient Drive  
Miscellaneous  
Orgasmic Adores

Romance deep within  
Whispering sweet miseries  
The blood and sweat on the sheets  
As I taste it on my lips  
Whores, shaped like angels  
Nymphs, with shiny black claws  
Cast on me the spell of dark desires  
Lust and orgasmic adores  
Last bloody kiss  
Will make an end of this  
The bites on a pale whiteneck  
She will get what she begs  
Drunken I taste your wine  
When my dark ecstasy comes  
As I hunger for thy blood  
You will bleed as I desire  
Would you bleed for me?
