

And Oceans, Catharsis: End Of Organisms: Absolute Purification Of Sins

Catharsis: End Of Organisms: Absolute Purification Of Sins

Purify!

Earth inferno!

Into the void!

Plunge into darkness cold!

Into darkness, light visible!

A divine remedy!

Cleansed of all impurities!

Evaporate!

Totally absolute!

Into the void!

The light of the night!

Black holes fill the souls!

World's beauty sleep!

New faces portrayed!

Dehydrate!

The beauty of lies!

End of life's odours!

Tripod oblivion!

Marionettes!

Hung from the ceiling!

Universal crucifixion!

[Chorus:]

New order!

Re-formation!

Consumption!

New world!

Completion!

Celebration!
