## And Oceans, White Synthetic Noise

White Synthetic Noise Inhale/exhale Inhale the exhaled Inhale/exhale Inhale the injected voice Inhale/exhale Exhale the inhaled Inhale/exhale Inhale the lines of white noise Silence depicted the room And released the liquids in drops Infinity licks the tongue of thorns And devours the cities in drone These designers of syndromes The core of poison free sound Slowly drifting to the mind of dub Gardens swallow the idyllic life Inhales heavens to earthly eyes Open palms of autumn scars Adieus to plaintive solar charm
