

# And One, Metalhammer (Heavy Mix)

Take this deadly tool  
And feel the daily routine  
You go to work  
For money and for me

Metalhammer here  
Metalhammer there  
Metalhammer, Metalhammer  
You take it everywhere

Metalhammer, lovely tool  
Tell me what I am  
Treating you is the only thing I can  
Thank you for the money  
Help me to survive  
Metalhammer, Metalhammer  
Help me to stay alive
