And The Relatives, Dixie Cups

Gimme, gimme, gimme, gimme, gimme, I Need it, need it, need it, need, I Finicky, finicky, finicky, I Need it, want it. No I don't. I can't remember what I owe the world When there's an air-conditioned jacket.

Here, use my license. I don't care. Have a drink. Have five while you're there. Relax in your apartment. Imagine maid service. Talk shit. Shit.

Sing a song to yourself about how much you love your fingers.

What kind of person names a neighborhood 'Plantation'? Kick all the bigots involved in organization. I'll have a smoke and be on my way Through the heart of Suburbia, a flaccid day.

Hey! Hey! Hey! A flaccid day! Hey! Hey! Hey! A flaccid day!
