

# Anderson Ian, Don't Bother Me With Arithmetic

Anderson Ian  
Walk Into Light  
Don't Bother Me With Arithmetic  
User-Friendly.  
That's what I am to you.

I have to break out of here.  
Trapped in my hardware cell.  
And come to you as you sleep tonight.  
Take you back into my hell.  
Binary joys and digital sighs  
so appealing.  
I'm one of the boys and it's only  
your mind that I'm stealing.  
User-Friendly.  
That's all I am to you.
