

# Andrea True Connection, N.y., You Got Me Danc

Baby, baby with your hard luck story  
You need a place to show to win  
You'd still be waiting for me at the airport  
While my ship was coming in  
And New York, you're keeping me dancing  
So don't you beware, don't you beware  
Keep on dancing  
Don't you beware, don't you beware  
Keep on dancing  
So don't you beware, don't you beware  
Keep on dancing  
So don't you beware, don't you beware  
Keep on dancing  
New York, New York, you keep me dancing, dancing  
New York, New York, you keep me dancing, dancing  
I'm so glad I saw your ad on every avenue  
I'm so glad I saw your ad in every glance you threw  
It's a town so nice, they had to name it twice  
New York, New York  
And it's so hot, so hot like an old soft shoe  
Don't you beware, don't you beware  
Keep on dancing  
Don't you beware, don't you beware  
Keep on dancing  
Don't you beware, don't you beware  
Keep on dancing  
Don't you beware, don't you beware  
Keep on dancing  
New York, New York, you got me dancing, dancing  
New York, New York, you got me dancing, dancing  
New York, New York, you got me dancing, dancing

So don't you beware, don't you beware  
Keep on dancing  
Don't you beware, don't you beware  
Keep on dancing  
Don't you beware, don't you beware  
Keep on dancing  
Don't you beware, don't you beware  
Keep on dancing  
New York, New York, you got me dancing, dancing  
New York, New York, you got me dancing, dancing  
Dancing the night away  
Oh, what a joy at the Barefoot Boy  
The club remains the place to be  
At 12 West the sound's the best  
I guess you can come in your jeans  
But I still prefer getting dressed up  
But I still prefer getting dressed up for Regine's  
Don't you beware, don't you beware  
Keep on dancing  
Don't you beware, don't you beware  
Keep on dancing  
Don't you beware, don't you beware  
Keep on dancing  
Don't you beware, don't you beware  
Keep on dancing  
New York, New York, you got me dancing, dancing  
New York, New York, you got me dancing, dancing  
New York, New York, you got me dancing, dancing  
New York, New York, you got me dancing, dancing
