

Andrew Bird, Anonanimal

I see a sea anemone
The enemy
See a sea anemone
And that'll be the end of me.

While the vicious fish was caught unawares in the tenderest of tendrils
Underneath her tender gills

I will become this animal
Perfectly adapted to the music halls
I will become this animal
Anomalous appendages
A non-animal

Hold on just a second
Don't tell me this one you know
I know this one I know this song
I know this one I love this song
Hold on just a second
Don't tell me this one you know
i know this one I know this song
I know this one I love this song
I know this one

Underneath the stalactites
The troglobites lost their sight
Uh oh

The seemingly innocuous plecostomus
though posthumus
They talk to us
They talk too much

See a sea anemone
The enemy
See a sea anemone
That'll be the end of me
Vicious fish was caught unawares
In the tend'rest tendrils
Underneath her tender gills and

I will become this animal
Perfectly adapted to a music hall
I will become this animal

Anomalous appendages
A non-animal
