

Andrew Bird, Oh No

In the salsify mains of what was thought but unsaid
All the calcified arhythmitists were doing the math
It would take a calculated blow to the head
To light the eyes of all the harmless sociopaths
Oh arm and arm we are the harmless sociopaths (2x)
Calcium mines were buried deep in your chest (2x)
Ooh no we're deep in a mine
Ooh a calcium mine ooh
so let's get out of here
past the atmosphere
squint your eyes and no one dies or goes to jail
past the silver bridge, oh the silver bridge
wearing nothing but a one ? and a veil
Ooh oh deep in a mine,
Ooh oh a calcium mine "oh no"
Arm and arm we are the harmless sociopaths (2x)
In the calcium mines buried deep in your chest (2x)
Oooh oh deep in a mine
Oooh no calcium mines oh no

so let's get out of here
past the atmosphere
squint your eyes and no one dies or goes to jail
past the silver bridge, oh the silver bridge
wearing nothing but a one ? and a veil
Oh no .. oh no ... oh no ... oh no
Whistling
