

# Andrew Lloyd Webber, I Believe My Heart (Pop Version)

[Verse 1 - Duncan]

Whenever I see your face,  
the world disappears,  
All in a single glance so,  
revealing.

You smile and I feel as though,  
I've known you for years.  
How do I know to trust what,  
I'm feeling

[Chorus 1]

I believe my heart,  
What else can I do  
When every part of every thought  
leads me straight to you.  
I believe my heart,  
There's no other choice,  
For now whenever my heart speaks,  
I can only hear,  
your voice

[Verse 2 - Keedie]

The life-time before we met,  
has faded away.  
How did I live a moment,  
without you,  
You don't have to speak at all,  
I know what you'd say,  
And I know every secret,  
about you.

[Chorus 2 - Keedie]

I believe my heart,  
It believes in you,  
It's telling me that what I see,  
is completely true.  
I believe my heart,  
How can it be wrong  
It says that what I feel for you  
I will feel my whole life long.

[Chorus 3 - Duncan & Keedie]

I believe my heart.  
It believes in you.  
It's telling me that what I see is completely true.  
And with all my soul  
I believe my heart.  
The portrait that it paints of you  
is a perfect work,  
of art.
