

# Andrew Lloyd Webber, The Art Of The Possible

"Military Leaders"

One has no rules,  
is not precise.  
One rarely acts  
the same way twice.  
One spurns no device,  
Practising the art of the possible.

One always picks  
the easy fight.  
One praises fools,  
one smothers light.  
One shifts left to right.  
It's part of the art of the possible.

"Eva"

I'm only a radio star with just one weekly show,  
but speaking as one of the people I want you to know:  
We are tired of the decline of  
Argentina with no sign of  
A government able to give us the things we deserve.

"Military Leaders"

One always claims  
mistakes were planned.  
When risk is slight,  
one takes one's stand  
with much sleight of hand.  
Politics - the art of the possible.

One has no rules,  
is not precise.  
One rarely acts  
the same way twice.  
One spurns no device.  
Politics - the art of the possible.

"Crowd"

Peron! Peron! Peron! Peron!
