

# Andrew Lloyd Webber, Whistle Down The Wind

Whistle down the wind  
Let your voices carry  
Drown out all the rain  
Light a patch of darkness  
Traecherous and scary  
Howl at the stars,  
Whisper when you're sleeping  
I'll be there to hold you  
I'll be there to stop the chills and all the weeping  
Make it clear and strong  
So the whole night long  
Every signal that you send  
Until the very end  
I will not abandon you, my precious friend  
So try and stem the tide  
then you'll raise a banner  
Send a flare up in the sky,  
Try to burn a torch  
And try to build a bonfire  
Every signal that you send  
Untill the very end I'm there  
So whistle down the wind  
For I have always been right there  
Oh yeah  
Howl at the stars  
Whisper when you're sleeping  
I'll be there to hold you  
I'll be there to stop the chills and all the weeping  
Try and stem the tide  
Then you'll raise a banner  
Send a flare up in the sky,  
Try to burn a torch  
And try to build a bonfire  
Every signal that you send  
Untill the very end I'm there  
So whistle down the wind  
For I have always been right there
