

Andrew Lloyd Webber, Woman In White

SOLO

Shes eveyone at once and nowhere.
So you wounder did you really see.
The Sadness in her eyes, her beauty.
Is she real its all a mystery.
Deep within in your soul you fell her.
Deep within you heart you care, you reach out shes gone and you unsure she was ever there.
She calles to you from every shadow, and you think you see her silloute.
A dream that you cant quite remeber.
But a face you cant forget.

The Women In White

CHORUS

Will haunt you. Will haunt you.

SOLO

The woman in white.

CHORUS

Will haunt you, forever.

SOLO

Deep within your soul you feel her.
Deep into her eyes you stare.
You reach shes gone and your unsure she was ever there.
She calls to you from every shaddow.
And you think you see her silloute.
A dream that you cant quite remeber.
But a face you cant forget.

The Woman In White.
