

# Andrew W.K., Never Let Down

I never want to break your heart  
Never want to make you cry  
Never want to give up and die

And even if you can't stand up  
Even if you lose your light  
I'm a friend by your side  
You're never going to be alone

You can never let down  
Never let down  
You can never let down  
Never let down  
Never let down

I never want to make mistakes  
Never want to do no wrong  
Never have a place to belong

And I'm never going to leave you out  
If you ever lose your way  
Not alone or betrayed  
I'm always going to be around

You can never let down  
Never let down  
Never let down

Oh  
You're doing alright  
You're doing OK  
Just follow your heart  
And don't run away

You can never let down  
You're doing alright  
You're doing OK  
Just follow your heart  
And don't run away

You can never let down  
You're doing alright  
You're doing OK  
Just follow your heart  
And don't run away  
I never want to break your heart  
I never want to break your heart  
I never want to break your heart
