Follow

-From the booklet-

follow you lead I follow  
shadow I am your shadow  
I do as you do  
walk as you walk  
stray you not lest I be lost  
this hollow I take as my own  
narrow my path has grown  
cover my eyes to better  
see as you see  
feel what you reveal  
ecstasy at your command  
follow you lead I follow  
swallow all thoughts that bellow  
treasure each word I measure  
I do as you do  
I walk as you walk  
I see as you see  
talk as you talk  
I feel what you feel  
taste what you have spilled  
ecstasy at your command
