

Andy Bell, Crazy (Original Radio Edit)

Crazy
I never felt this good before
I could be destroyed
I don't know what you're looking for
You'd better make some noise
'Cause my desire
Is running down a city street
Pull me up to the wire
I'm driven by a heavy beat
When you put your hand in my hand
I go down, then I go crazy for you
Crazy, crazy
I feel so ashamed to tell you
I go down, then I go crazy for you
Crazy, crazy
Rush is good
You never told a lie
And with your speech you might
Have an alibi
'Cause my desire
Is running down a city street
Pull me up to the wire
I'm driven by a heavy beat
When you put your hand in my hand
I go down, then I go crazy for you
Crazy, crazy
I feel so ashamed to tell you
I go down, then I go crazy for you
Crazy, crazy
Ohh, oh, oh
'Cause my desire
Is running down a city street
Pull me up to the wire
I'm driven by a heavy beat
When you put your hand in my hand
I go down, then I go crazy for you
Crazy, crazy
I feel so ashamed to tell you
I go down, then I go crazy for you
Crazy, crazy
