

# Andy Gibb, Shadow Dancing

You got me looking at that heaven in your eyes  
I was chasing your direction  
I was telling you no lies  
And I was loving you  
When the words are said, baby, I lose my head

And this world of people, there's only you and I  
There ain't nothing come between us in the end  
How can I hold you when you ain't even mine?  
Only you can see me through  
I leave it up to you

Do it light, taking me through the night  
Shadow dancing, baby you do it right  
Give me more, drag me across the floor  
Shadow dancing, all this and nothing more

All that I need is just one moment in your arms  
I was chasing your affection  
I was doing you no harm  
And I was loving you  
Make it shine, make it rain, baby I know my way

I need that sweet sensation of living in your love  
I can't breath when you're away, it pulls me down  
You are the question and the answer am I  
Only you can see me through  
I leave it up to you

Do it light, taking me through the night  
Shadow dancing, baby you do it right  
Give me more, drag me across the floor  
Shadow dancing, all this and nothing more

And in this world of people, there's only you and I  
There ain't nothing come between us in the end  
How can I hold you when you ain't even mine?  
Only you can see me through  
I leave it up to you

Do it light, taking me through the night  
Shadow dancing, baby you do it right  
Give me more, drag me across the floor  
Shadow dancing, all this and nothing more

Do it light, taking me through the night  
Shadow dacing, baby you do it right  
Give me more, drag me across the floor  
Shadow dancing, all this and nothing more
