

# Andy Kim, Baby, I Love You

Have I ever told you  
How good it feels to hold you  
It isn't easy to explain  
And though I'm really trying  
I think I may start crying  
My heart can't wait another day  
When you touch me, I just got to say  
Baby, I love you, baby, I love you  
Baby, I love you, come on, baby n-n-now  
I can't live without you  
I love everything about you  
I can't help it if I feel this way  
Oh, I'm so glad I found you  
I want my heart surround you  
I love to hear you call my name  
Tell me baby that you feel the same  
Baby, I love you, baby, I love you  
Baby, I love you, come on, baby n-n-now  
Come on, baby n-n-now  
My heart can't wait another day  
When you touch me, I just got to say  
Baby, I love you, baby, I love you  
Baby, I love you, come on, baby n-n-now  
Baby, I love you, baby, I just love you  
Baby, I love you
