

# Andy McCoy, Foxfield Junction

Take me train  
Take me out of Houston  
Station train  
Take me cross the nation  
Take me back  
Back to Fox Field Junction train  
Different Land  
A Different Day  
He would take my hand  
And he would say I Love You  
Back in Fox Field Junction  
Why did I say goodbye  
Why did I make  
A young boy cry  
Where did I go  
Where did I go wrong  
Why did I say  
We must part  
Why did I break  
A young boy's heart  
Why did I do  
The things that I've done
