

# Andy Taylor, When The Rain Comes Down

There's a change of heart  
And you're in a race  
And you don't know where it ends  
In another world  
Where you're upside down  
Trying to make amends  
Whoa, I don't believe what I see and I hear  
Whoa, I can't explain what is here but it's here  
Whoa  
When the rain comes down  
When the rain comes down  
Time to start with a different face  
I gotta get out of here  
I'll take my chance in a different place  
Now my mind is clear  
Whoa, I don't believe what I see and I hear  
Whoa, I can't explain what is here but it's here  
Whoa
