

Andy Williams, An old fashioned love song

Just an old fashioned love song
Playin' on the radio
And wrapped around the music
Is the sound of someone
Promising they'll never go
You'll swear you've heard it before
As it slowly rambles on and on
No need in bringing 'em back
'Cause they've never really gone
Just an old fashioned love song
Comin' down in three part harmony
Just an old fashioned love song
One I'm sure they wrote for you and me
To weave our dreams upon
And listen to each evening
When the lights are low
To underscore our love affair
With tenderness and feelings
That we've come to know
You'll swear you've heard it before
As it slowly rambles on and on
No need in bringin' 'em back
'Cause they've never really gone
Just an old fashioned love song
Comin' down in three part harmony
Just an old fashioned love song
One I'm sure they wrote for you and me
Hit it!
Wooh! Just an old fashioned love song
Comin' down in three part harmony
Just an old fashioned love song
One I'm sure they wrote for you and me
Just an old fashioned love song
Comin' down in three part harmony
Just an old fashioned love song
One I'm sure they wrote for you and me (fade)
