

Andy Williams, Can't Get Used To Losin' You

Guess there's no use in hangin' 'round
Guess I'll get dressed and do the town
I'll find some crowded avenue
Though it will be empty without you
Can't get used to losin' you
No matter what I try to do
Gonna live my whole life through
Loving you
Called up some girl I used to know
After I heard her say, "Hello"
Couldn't think of anything to say
Since you're gone it happens every day
Can't get used to losin' you
No matter what I try to do
Gonna live my whole life through
Loving you
I'll find somebody, wait and see
Who am I kiddin', only me
'Cause no one else could take your place
Guess that I am just a hopeless case
Can't get used to losin' you
No matter what I try to do
Gonna live my whole life through
Loving you
I can't get used to losin' you
No matter what I try to do
Gonna live my whole life through
Loving you
