## Andy Williams, I Like Your Kind Of Love

Oh honey babe, oh honey babe Oh honey babe, I like your kind of love That's good, baby that's good

Honey babe, I like the way that you walk by I like the way you swing your eye I like your kind of love That's good, baby that's good

Every night I like the way you beg for more And linger there outside the door I like your kind of love That's good, baby that's good

Well, well, well-II-II ain't it swell Can't reveal-I-I how I feel And no one else could ever thrill me like you do You make my every dream come true I like your kind of love That's good, baby that's good

Oh honey babe, oooo honey babe MMMMM honey babe I like your kind of love That's good, baby that's good

Honey baby I like the way you wear your clothes My love for you just grows and grows I like your kind of love Honey you know I do

When you're near you don't know what you do to me And that's the way it oughta be I like your kind of love Honey you know I do

Don't you know-o-o that I love you so
Can't you see-e-e that you're for me
Honey babe I like the way you hold my hand
To make me know you understand
I like your kind of love
Honey you know I do
Oh honey babe, oooo honey babe
MMMMM honey babe
I like your kind of love
That's good, baby that's good
Honey babe I like your kind of love
