

Andy Williams, Let It Snow

Oh, the weather outside is frightful

But the fire is so delightful

Since we've no place to go

Let it snow, let it snow, let it snow

It doesn't show signs of stoppin'

And I brought some corn for poppin'

The lights are turned down low

Let it snow, let it snow, let it snow

When we finally kiss good night

How I'll hate goin' out in the storm

But if you really hold me tight

All the way home I'll be warm

The fire is slowly dying

And, my dear, we're still good-bye-in'

But as long as you love me so

Let it snow, let it snow, let it snow

(When we finally kiss good night)

How I'll hate goin' out in the storm

(But if you really hold me tight)

All the way home I'll be war-ar-arm

The fire is slowly dying

And, my dear, we're still good-bye-in'

But as long as you love me so

Let it snow, let it snow

Let it snow, let it snow, let it snow

Let it snow
