

Andy Williams, Music to watch girls by

The boys watch the girls while the girls watch the boys who watch the girls go by
Eye to eye, they solemnly convene to make the scene
Which is the name of the game, watch a guy watch a dame on any street in town
Up and down and over and across, romance is boss
Guys talk "girl talk", it happens everywhere
Eyes watch girls walk with tender lovin' care
It's keepin' track of the fact watching them watching back
That makes the world go 'round
"what's that sound?" each time you hear a loud collective sigh
They're making music to watch girls by
