Andy Williams, Music to watch girls by

The boys watch the girls while the girls watch the boys who watch the girls go by Eye to eye, they solemnly convene to make the scene

Which is the name of the game, watch a guy watch a dame on any street in town Up and down and over and across, romance is boss

Guys talk "girl talk", it happens everywhere

Eyes watch girls walk with tender lovin' care

It's keepin' track of the fact watching them watching back

That makes the world go 'round

" what's that sound? " each time you hear a loud collective sigh

They're making music to watch girls by
