Andy Williams, What Now My Love

What now my love? Now that it's over I feel the world closing in on me Here come the stars tumbling around me There's the sky where the sea should be What now my love? Now that you're gone I'd be a fool to go on and on No one would care, no one would cry If I should live or die What now my love? Now there is nothing Only my last goodbye Only my last goodbye Only my last goodbye
