You're Just Too Good To Be True

You're just too good to be true

Can't take my eyes off of you

You'd be like heaven to touch

I wanna hold you so much

At long last love has arrived

And I thank God I'm alive

You're just too good to be true

Can't take my eyes off of you

Pardon the way that I stare

There's nothing else to compare

The sight of you leaves me weak

There are no words left to speak

So if you feel like I feel

Please let me know that it's real

You're just too good to be true

Can't take my eyes off of you

I love you baby and if it's quite all right

I need you baby to warm the lonely nights

I love you baby, trust in me when I say

Oh pretty baby, don't bring me down I pray

Oh pretty baby, now that I've found you stay

And let me love you baby, let me love you

You're just too good to be true

Can't take my eyes off of you

You'd be like heaven to touch

I wanna hold you so much

At long last love has arrived

And I thank God I'm alive

You're just too good to be true

Can't take my eyes off of you
