

# Anees, sunny day

Yeah, in a storm, you are my rescue  
And at dawn, you are my gold sunrise  
When I'm torn, you are my go-to  
When I'm lost, you are my guiding light  
In a war, you are my refuge  
When I'm cold, you are my warmth and night  
When I'm scared, you are my comfort  
I would love to love you for life

So, stay in my arms, girl, I'm keepin' 'em open  
Don't play with my heart, I don't wanna be broken  
When the clouds roll in, the sky looks dark and gray

But you're sunny day  
La-da-da, la-da-da-da-da  
La-da-da, la-da-da-dickda  
La-da-da, la-da-da-da-da  
La-da-da, la-da-da-dickda

Yeah, you are a rainbow on a summer day  
You don't see, you would take the clouds away  
Every little thing you do, it's like a firework inside my mind  
Something magical and you're design, girl, you wouldn't know  
You're my sugar plum, fairy girl, lovely little dream  
Your best shooting star to the heart, perfect as can be  
You're a pixie dust, sugar rush, magical and wild  
You're the reason I believe in love, I'm smitten by your style

So, stay in my arms, girl, I'm keepin' 'em open  
Don't play with my heart, I don't wanna be broken  
When the clouds roll in, the sky looks dark and gray

But you're sunny day  
La-da-da, la-da-da-da-da  
La-da-da, la-da-da-dickda  
La-da-da, la-da-da-da-da  
La-da-da, la-da-da-dickda

I'm so in love with you, I got my eyes on your every move, I  
I see my home in you, I think God took this time when he molded you, you  
You give your love for free, girl, I don't know just how much you mean too  
To me, you're my everything, and everything is you

It's true, stay in my arms, girl, I'm keepin' 'em open  
Don't play with my heart, I don't wanna be broken  
When the clouds roll in, the sky looks dark and gray

But you're sunny day  
La-da-da, la-da-da-da-da  
La-da-da, la-da-da-dickda  
(You're sunny day)  
La-da-da, la-da-da-da-da  
La-da-da, la-da-da-dickda

I love you forever, girl  
Stay in my arms 'cause I'm keepin' 'em open  
Don't play with my heart, I don't wanna be broken  
When the clouds roll in, the sky looks dark and gray

But you're sunny day  
La-da-da, la-da-da-da-da  
La-da-da, la-da-da-dickda  
You're sunny day  
La-da-da, la-da-da-da-da

La-da-da, you're sunny day
