

# Aneta Langerová, You

I know its really late but  
I had to call you  
Something that Ive gotta say  
Saw you at the movies  
with your new trophy  
I cant believe its been just a day  
Since we were holding each other now  
I know  
Youre a creep  
And I wish that Id never met you  
Youre a creep  
Just a scurvy little dog in the street  
Youre a creep  
I know it sounds crazy,  
but I thought that maybe  
All we needed was time  
But seems you recovered with new lover  
Cuz everything we had was a lie  
You said youd die without me,  
but youre still alive  
Youre a creep  
And I wish that Id never met you  
Youre a creep  
Just a a scurvy little dog in the street  
Youre a creep  
Youre a creep  
Cant believe that I gaye you  
the best of me  
But, baby, now its your turn to hurt  
I know its really late  
but I should be going  
But I just wanted to say  
youre a creep
