# Angel City, Love Me Right (Oh Sheila)

Oh baby, love me right
Let me love you till I get it right
Ahh, why can't you let the others be?
'Cause with you is where I got to be
Yeah, oh sugar, where you been
Hangin' out with your male friends
Listen somebody's gonna hurt you
The way you love to keep hurting me
I say, ooh baby, love me right
Let me love you till the morning comes
Sing a song, ooh sugar, love me right
You know I want to be the only one
Ooh baby, where you been
Hangin' out with your male friends
Listen somebody's gonna hurt you
The way you love to keep hurting me
Oh baby, understand
I want you to be the only man
Ahh, but it seems though it's getting too hot
I think I'll start have my own fun
I say, ooh baby love me right
Let me love you till the morning comes
Sing a song, ooh sugar, love me right
You know I want to be the only one
Oh baby, it's one, two, three
I love you baby, honestly
I want to dearly
I dearly, here we go
Oh baby, love me right
Let me love you till the morning comes
Sing a song, oh sugar, love me right
You know I want to be the only one
You know I want to be the only one
