

# Angel City, Love Me Right Radio Version

Oo Baby love me right  
Let Me love you till you get it right  
Why cant you let the others be  
'Cause with you is where i got to be  
Oo sugar where've you been  
Hangin' out with your male friends  
Listen, somebodys gonna hurt you  
The way you love to keep hurtin' me.

~Chorus~  
~Oo baby love me right  
Let me love you till the moring comes  
Oo sugar love me right  
You know I want to be the only one~

Oooo ahhh let me love you till you get it right

Oo baby understand  
I want you to be the only man  
But it seems though its getting to hard  
I think I'll start to have my own fun  
Oh baby its plain to see  
That I'm qualified to fill your needs  
You think you've put it over on me  
Oh honey baby just you wait and see

~Chorus~  
~Oo baby love me right  
Let me love you till the moring comes  
Oo sugar love me right  
You know I want to be the only one~

Oooo ahhh let me love you till you get it right

Love me right  
You gotta love me  
Love me right (right)  
You gotta love me

Oooo yea

Oooo ahhh let me love you till you get it right

~Chorus x2~  
~Oo baby love me right  
Let me love you till the moring comes  
Oo sugar love me right  
You know I want to be the only one~
