

Angel Corpse, Sodomy Curse

(Music Palubicki; Lyrics Helmkamp)

Garden of earthly delights is mounting flames
We are burning our way to paradise

The lust for vengeance shall not despair
Blood and sperm - agony
War declared - now hear this

Sodomy curse

Fertile semen corrupted to vile seed
Obelisk of swollen beauty
Desperate ablution
Pollution

(chorus)

Disgrace wept bitter tears
Spit wipes away but what of the shame

(chorus)

Sodomy
