

# Angel Olsen, Hi-Five

I feel so lonesome, I could cry  
But instead of the time  
So lonely with somebody lonely due  
While there's nothing in the world I'd rather do  
Now tell me if you don't feel these words  
But all I want, all I ever need  
Is someone out there believe  
Sometimes believe  
Not always believe  
Sometimes believe

Now we don't have to take it to extreme  
Will keep our hands on lay keep it all ??  
But I'm giving you my heart, my heart  
Are you giving me your heart?  
Your heart  
Are you lonely too?  
Are you lonely too?

Hi-five, so am I  
All of your life  
Stuck in time  
I'm suck you  
I'm stuck with you, dudu du du  
Of you, of you.
