

# Angel, Ride Or Die (ft. Misha B)

yeah yeaah yeaah yeaah  
what the hell is happening?  
all she did was give it to me once  
and now i back up and dagging 'em  
like i had to hit the back again  
turned edgy on the couch man trying to be the traffican  
i can see whats happening,  
see got me hope like a brother on the pipe cracks back again  
I'm all upon in the flat snow oxygen,

i think i better go back to my ride or die  
she's waiting at home,  
i think i better go back to my ride or die  
she's waiting at home,

feeling so wack again,  
no i couldn't resist
