

Angela Aki, Eyes On Me

Whoever sang my songs
On the stage on my own
Whenever said these words
Wishing they would be heard
I saw you smiling at me
Was it real or just my fantasy
You'd always be there in the corner
Of this tiny little bar

My last night here for you
Same old songs, just once more
My last night here with you
Maybe yes, maybe no
I kind of liked it your way
How you shyly layed your eyes on me
Did you ever know
That I had mine on you

Darling, so there you are
With that look on your face
As if your never hurt
As if your never down
Shall I be the one for you
Who pinches you softly, but sure
If a frown is shown then
I will know that you are no dreamer

So let me come to you
Close as I want to be
Close enough for me
To feel your heart beating fast
And stay there as I whispered
How I love your peaceful eyes on me
Did you ever know
That I had mine on you

Darling, so share with me
Your love if you have enough
Your tears if your holding back
Or pain if that's what it is
How can I let you know
I'm more than the dress and the voice
Just reach for me then
You will know that you are not dreaming

Darling, so there you are
With that look on your face
As if your never hurt
As if your never down
Shall I be the one for you
Who pinches you softly, but sure
If a frown is shown then
I will know that you are no dreamer
