

Angela Aki, Hallelujah

Me wo sorashite ikiteite
Nukumori sae kanjinai
Kokuu to nanoru kokoro kara
Kansen suru kodoku dake

Emi no taeta kodomo-tachi ya
Ai ni ueta otona-tachi
Kako no zangai ni oboreteiru
Mirai no kage ga miemasu ka?

Hallelujah, ima akari ni nari,
Hallelujah, zutto terashiteite
Hallalujah, sou tsunanaritai, dakara
Feel, come on and feel

Fuon na jidai no nami ni nomare
Nagasarete yuku yume no mure wa
Kono saki doko e tadoritsuku no
Karera no koe ga kikoemasu ka?

Hallalujah, ima todoku you ni,
Hallelujah, zutto motometeite
Hallelujah, sou tsunararitai, dakara
Feel, come on and feel

Anata to kasanaru
Honoo no you ni, kokyuu no you ni,
Tomoseru you ni, kizameru you ni,
Feel it in yourself, feel it in yourself

Hallelujah, ima akari ni nari,
Kono yo wo zutto terashiteite
Hallelujah, sou tsunagaritai, dakara
Feel, come on and feel

Singing hallelujah, Singing hallelujah
Feel, come on and feel
