

Angela Aki, TODAY

Jikan ni yakare
Moetsukita yume no hai ga
Mai orita

Shizukesa ga kesshou suru

Anata wa watashi ni itta
Yasashi sa wo ushinatta to

Kizu no kazu wa kazoe nai
Omoidashite mo imi wa nai
Giseisha ni wa naritaku nai

Yogoreta kinou demo
Atarashii asu ga aru
Jibun wo yurusu koto ga dekita kyou

Today is ... the greatest day
Today is the greatest day I've ever known
can't live for tomorrow
Tomorrow's much too long
I'll burn me eyes out
Before I get out

Today is the greatest day
Today is ... the greatest day
