

# Angela Ammons, Always Getting Over You

Do, do, do, do, do (6x)

Was it not enough stimulation  
Hit by a brick the other day, just when I thought that I'm okay  
You didn't like myyyy conversation  
I can't come up with something new  
It doesn't really matter what I do

So here's my observation  
You could never see it through my eyes  
And I'm too tired to try

So don't call and say you're coming back for me  
It don't mean nothing I'm always getting over you  
And don't lie and say you're over me  
It don't mean nothing I'm always getting over you

Do, do, do, do, do (2x)

Was it too much aggravation  
You're telling me the way but I won't see  
Then I change my mind you disagree

I used to be your inspiration  
You chase I run you disappear  
I know it's never over

So don't call and say you're coming back for me  
It don't mean nothing I'm always getting over you  
And don't lie and say you're over me  
It don't mean nothing I'm always getting over you

Do, do, do, do, do (5x)

Was it not enough stimulation  
Hit by a brick the other day, just when I thought that I'm okay  
You didn't like my conversation  
I can't come up with something new  
It doesn't really matter what I do

So don't call and say you're coming back for me  
It don't mean nothing I'm always getting over you  
And don't lie and say you're over me  
It don't mean nothing I'm always getting

Do, do, do, do, do (till the end)

So don't call and say you're coming back for me  
It don't mean nothing I'm always getting over you  
And don't lie and say you're over me  
It don't mean nothing I'm always getting over you
